Minutes could not be approved because there were not enough people in attendance.

E-mail sponsorships for Drums Across Kansas were discussed.

The Holiday Inn is already booked for June 4th and June 11th. Days Inn is somewhat "busy" during both of these dates as well. The train depot is staying booked consistently and there is a possibility the rates will be raised to make this more beneficial for the city. We, along with the businesses downtown, will need to know how many welcome bags for the lake camp posts are needed. Jen has stuff for the welcome bags already. We also hired Caitlyn Fowler part-time to help afternoons during the week and Saturday events. We will have an update on the Farmers' Market at the next meeting.

Updated Bed Tax Numbers

There are no bed tax numbers yet, but comparatively El Dorado's are much greater.

Next Meeting: May 19th, 2016 at 4:00 pm
