NEW BUSINESS

- Rollen asked if we could look into putting in Bermuda fairways. He asked Jason what happened to the grass there.
- Jason stated that they had a few heads get stuck in the irrigation system and they were drowned a bit. He stated that they have talked about Bermuda and Zoysia fairways.
- Dan stated that we can let the golfers know that we are doing research and working on new options for grass.
- Keith asked what the seed they used last year was.
- Jason stated that he was unsure.
- Keith stated that he would like to address the tee boxes. He stated that in his memory there have been 17 tee boxes constructed in 12 years, some have not been used. He stated that they do not conform to USGA guidelines.
- Rose said the new ladies tee boxes are going to be great.
- Keith said yes, but he would like them to think about what it does to par.

- Rose said when they put in new tees, they have to re-rate the course.
- Keith stated that par is figured differently.
- Dan asked if he had a copy of the guidelines, he said he had never seen them.
- Keith stated that he would try, about a year ago after a merger, the emphasis changed to marketing and the rules aren't there anymore.
- Charlie asked where the tee markers are.
- Jason stated that there was some vandalism over the weekend and they have disappeared.
- Charlie asked what kind of grass is on the greens.
- Jason said it is buffalo seven.
