## City of El Dorado Water Department

### High Efficiency Clothes Washer Rebate Program

The rebate amount is \$100. This offer is good through December 31, 2014

#### Rebate Eligibility Requirements:

- Rebates are given only on ENERGY STAR labeled clothes washers with a Maximum Water Factor of 6.0 or lower.
- The clothes washer must be purchased new from a local (El Dorado) vendor.
- The clothes washer must be installed at a location served by the City of El Dorado Water Department.
- An on-site inspection by a representative of the Water Department may be required to verify installation before a rebate is paid.
- Residential customers are limited to one clothes washer rebate per household per 7 years.
- Rebate application form must be filled out completely and returned with a copy of the sales receipt to the City of El Dorado Water Department no later than December 31, 2014.
- Resale or lease/rental option units are ineligible.

#### Procedure:

1. Purchase and install your new clothes washer. Verify with the appliance retailer that the clothes washer qualifies as an ENERGY STAR labeled appliance, with a Maximum Water Factor of 6.0 or lower.
2. Complete this rebate form and attach the sales receipt showing the model of the washing machine and date of purchase. Return to the Water Department for processing.
3. Applications that are turned in by the 20<sup>th</sup> of the month will receive the rebate around the 15<sup>th</sup> of the following month.

This program provides financial assistance to customers wishing to purchase water-conserving clothes washers for their home. The City of El Dorado does not endorse or recommend specific brands, products or dealers. Selection and installation of the appliance is the sole responsibility of the applicant, as is determination of the adequacy and compatibility of their existing plumbing system. The City assumes no responsibility for any damage that may occur to an applicant's property as a result of participation in this rebate program. Due to circumstances beyond its control, the City cannot guarantee that the installation of the clothes washer will result in lower utility costs.
