ROAD 23

**TUESDAY, MARCH 21ST 12P.M. - 1P.M.
AT THE COUTTS MUSEUM OF ART**

Road 23 will be performing at Coutts Museum for the Brown Bag program at noon on March 21st. Stevie Warren and her father, Tony McGee, started Road 23 in 2006 in Meade, KS. After moving to the El Dorado area, the acoustic duo started playing all over Wichita as well as throughout Kansas, Colorado, and Oklahoma. This extraordinary duo covers all genres and generations of music, but Tony and Stevie add in their own unique flare to every song. Make sure to check out Road 23 on Facebook or at www.road23music.com!

Thanks to Shelter Insurance for sponsoring the program.

Come join us and hear this incredible duo on March 21st! Always free, with refreshments. We start promptly at noon and finish at one. We look forward to seeing you over the lunch hour!
