

New Trash Service

City of El Dorado Sanitation
Department
222 East Second Street
El Dorado, KS 67042
316-322-4481

Residential

To sign up for first-time service please visit City Hall located at 220 East 1st Street. You will need to provide your driver's license and SSN. Residential refuse is \$14.25/month.

Service includes:

- 64 gallon trash and recycle cart delivered to your residence.
- Weekly pickup on your scheduled day—carts must be out by 7am and in by 7pm. Trash Carts may not be stored at or near the curb.
- Automatic billing as part of your water bill.

FAQ's

Question: *How do I use my recycle cart?*

Answer: Everything goes in the cart loose. Paper may be bagged in Wal-Mart or Dillon's bags. Items accepted are: plastic containers that have a recycling triangle with #1 or #2 on the bottom, Aluminum and steel (tin) cans, and paper goods. Boxes can be broken down & placed by the cart. Glass is no longer accepted in recycle so it will need to be put in trash cart

Question: *What if I have more trash than will fit in my cart?*

Answer: You are required to purchase Orange Bags; there is no limit to how many you can set out. Bags are available at the City Hall.

Question: *What if I can no longer get my cart to the curb?*

Answer: Call 322-4481 and request to be placed on the "special pick up" list.

Question: *If I'm a "special pick up" will I still receive a cart?*

Answer: No, you will **NOT** receive a cart but will receive **BLACK** bags instead.

Question: *I can't get my cart to the curb by 7am?*

Answer: Carts may be set out the night before collection but must be removed from the curb within 24 hours.

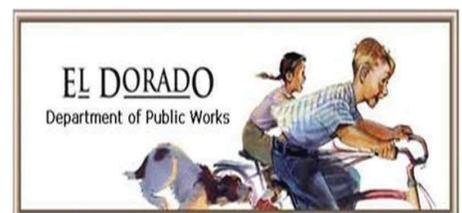

Commercial

Commercial rates are based on the container size and number of weekly pick-ups required. Containers sizes include:

- 2 cubic yards
- 3 cubic yards
- 4 cubic yards
- 8 cubic yards.

Trash can be picked up as often as 5 times a week but container size and number of pick-ups must be negotiated with the Sanitation Department.

Call 316-322-4481 with questions or to begin new service.

Additional Trash Services

City of El Dorado Sanitation
Department
222 East Second Street
El Dorado, KS 67042
316-322-4481

Call 322-4481 for information on any of the following.

Roll Offs—Ideal for large clean up, new construction or remodeling projects, roll-offs are available to citizens at the following rates.

- One time delivery fee of \$50.00
- 40 yard \$135.00 pick-up fee plus Landfill charges
- 30 yard \$125.00 pick-up fee plus Landfill charges
- 20 yard \$100.00 pick-up fee plus Landfill charges
- No tires, no refrigerant or hazardous materials
- Limited availability – 1st come first serve Call 322-4481 for more information.

Dump Truck Service—Available to residential customers for the cleanup and disposal of unwanted materials on their property. Program begins in March and runs through October (weather permitting).

- \$15.00 charge to defray landfill costs (can be added to your existing water bill.)
- Customers should plan to have a full load before requesting the truck – consider combining with neighbors. Depending upon availability, there may be a required two-week waiting period for persons wanting the truck more than once. Property must be located within the El Dorado City limits.
- Trucks are available to property owners for cleanup of waste and disposal of debris – they are not available to contractors, roofers, etc., for remodeling or construction wastes.
- Tires, appliances and hazardous materials are strictly prohibited.
- No grass or leaves. Limbs on top of the load only.
- Please leave the tailgates down.
- The truck will be dropped off approx. 2:30 PM and picked up by 8:00 AM (customers are not allowed to move the truck during this time).

Limited availability 1st come first serve. Trucks may be reserved Monday through Thursday nights only. Call 322-4481 for more information
