## Swim Levels

When registering for lessons, follow the YMCA decision tree (available at registration locations) to place your child in the appropriate class. A brief skill evaluation the first day of lessons will ensure proper placement at the appropriate level. A change from level 2 to level 3 will result in a change in session time. Completion cards will be awarded to students who master skills associated with the level achieved. The levels are a progression; swimmers must demonstrate completion requirements before they will be moved to a higher level.

## Private Lessons

Private lessons offer a one-on-one instruction for swimmers. These lessons are a dedicated 30-Minute block of time with a certified instructor for one week (4 Lessons). Fridays are make-up days if/when needed due to weather and holidays. Participants will work directly with an instructor to meet their individual needs. A brief skill level evaluation the first day will help instructors develop plans for individual participants. Private lessons are perfect for beginning swimmers, or for those focusing on improving stroke technique, endurance, or overcoming fear of the water.

### Cost of private lessons per child:

\$40 for in-town residents or Y Members

\$50 for out-of-town residents or non-Y members
